- 12) What is likely to be impact of 'Make in India' appeal to foreign investors by PM of India or production possibility frontier of India? Explain?
- 13) What is likely to be impact of efforts towards reducing unemployment on production potential of economy? Explain?
- 14) Following is a production possibility table for automobiles and riffles

COMBINATIONS	AUTOMOBILES	RIFFLES
A	1	10
B	2	9
C	3	7
D	4	4
E	5	0

- a) Show these production possibilities through PPC? What does these points indicate?
- b) Label point 'G' inside curve, what does this indicate?
- c) Label point 'H' outside curve, what does this indicate?

GEOGRAPHY HOLIDAY HOME WORK

Chapter -I) Primary Activities

- A. Show the distribution of primary activities on the outline map of the world.
- B. Write the main features of the following
- 1.Mixed farming
 - 2.Plantation farming
 - 3.Extensive grain farming
 - 4.Primitive intensive farming and primitive subsistence farming.
 - 5.Commercial livestock rearing
 - 6.Horticulture /Viticulture/Track farming
 - 7.Co-operating farming
 - 8.Mining – meaning and types

Chapter-II) Secondary activities

- 1.Give the meaning of secondary activities and explain its importance.

- 2.Explain the locational factors of industries
- 3.Write about classification of industries .
- 4.Explain the characteristics of large scale industries.

Physics:

- Chapter 1: Electric Charges and Electric Field- Complete the NCERT TEXT BOOK exercise in the long note book.
- Chapter 2 Electric potential Capacitance- Complete the NCERT TEXT BOOK exercise in the long note book.

Maths:

- Chapter 4 and 3 all worked out questions examples and 5 year board questions of these 2 chapters

Chemistry

1. Read Unit1 and Unit 2 (up to Raoult,s Law) though roughly . Write all the concepts/definitions in the note book.
2. Solve all the Questions /numerical problems given in the attachment in the notebook.
3. Monthly test for the months of April and June will be conducted on 24.06.2017 from the questions and numerical problems given in the attachment. It will be for 70 Marks and for 3 hrs.

Every minute is precious. Don't waste anymore time.

Plan your work and Work as per the plan.

Wishing you all a Happy Vacation.
